

Angliss Neighbourhood House TOID 6389 Student Fees Schedule for 2018

Standard Hourly Fees for Government Subsidised Training Under the 2015 Victorian Training Guarantee Program

This is a reference table only, and provides information about standard and concessional hourly tuition fee rates for those students who are eligible for government subsidised study in a VET course. Our Centre only delivers Foundation Level courses. All new students need to make an appointment and be interviewed to ensure they are placed in a suitable class. Courses are English as an Additional Language (EAL) Framework accredited training. Courses are government subsidised depending on eligibility. The Victorian Government provides funding to subsidise the course/s a student is enrolled in to the value of \$7.00 per hour for an accredited or \$7.19 per hour for a pre accredited course.

The student tuition fees as published are subject to change given individual circumstances at enrolment.
